1. Watch me change the news; change the way it is reported, what is reported, where it is reported. Watch me change the news of special events/awards; channels of me, not-me, both, and mighty. Watch me. Watch me tapestry not my news but show full face my regalia of me not me, and me that me is. I love you.

2. Surrender not to forces seeking withdrawal of me from any station/channel. I thwart their demands/threats. I Mordecai them not but Haman them.

3. Watch me elevate my chosen not, but those who have chosen me.

4. My covenant stands and never ends. Endlessly I wait/await their commands, not; but their surrender to my love, my lovely, my kingdom all that I gave them, their land my land, my land theirs, worlds apart not but one and the same are/being. They scoffed me. I love them still. Gentle not, they grace their grave. I love them still. They appropriate me not nor dictate my commands nor commands to me/my chosen.

5. I am my kingdom. I am love/property not. I am love. Watch me elevate the chosen not, those who have chosen me, lain with me, learned my name for them that on them is, in waiting not for superscendence but coming before me in lameness, not; meekness.

6. Have I asked/offered too much?
7. Have I waited too long?
8. Should I wait longer?

9. See Israel in my hand not but my covenant is my heart. My people Israel stand. My covert operations covert no longer for I never had any, but my who in waiting are, who have known me, known my word, valued my voice, cared for my brethren, interceded, lifestyles led/lived of intercession covering many/multitudes, them/those I elevate/call to the forefront of today/now, the front of pages many; those who scoffed have been, ill cared for, and rebuked for wanting me, and helping others; crying out in the night for mercy and intercession being, those are my leaders, those are my elevators that now I call to the front to elevate my body/chosen, those who choose me now unashamedly calling not spades a spade but letting my blood flow over them, my blood, my blood/the blood of my words, my voice, my blood my voice, my voice my word/blood. I am my voice/blood and it runs in my veins of those who love me/my covenant.

10. I love you all.

11. **This is the moment time hour. Mideast erupts mightily. Seas crash. Ships sink** and where is he that hears the word of the lord/voice of God? Where is the jean'd one now? Cut his hair! Will he ever? I love you all.

12. My word goes forth that my risings rise, my people rise, my who love me, spark not in fear at triumph of tanks, guns, heli-ammunitions. I love you all. Watch my one'ers who walk in the face of anything unafraid and watch me win, not; watch me quell the storms and silence the golden, not; the not-me.

13. Who can quell me/my voice? No one, nothing ever will stop my flow of golden clear crystal flowing now from my throne into out of and through my beloved,s. I love you all.

16. Watch my covenant consume in power, not; but give it/me to people of wealth and power, not; the surrendered old ladies thought useless/thow-aways. Watch me elevate them/the children, the youth, the those thought value-less by societies thought prosperous/devastated. Watch me elevate the chosen, not; those who choose me and demise the caricatures/demisings of intellectuals-thought superior. I love you all.

17. Surrender the moment, surrender the/your time. What are your resources/strengths? Surrender/will/choice/obedience, submission to/in love to elevated be. **By my father in heaven, not; here. Here all who father are/become. We are one and one remains golden, not; uninvolved, not; unseen, not; but in the forefront of news' many, not all; all.** Watch me golden boys thinking demising stories of my lover,s; watch your golden mouths/words and thinking you're prosperous/powerful, see my grand ones who powerful are walking through sheets of steel.

18. Molecular not; sever yourself from men with breath in their nostrils. Where is that? What is that about? Be finding out.
